She will talk to us on *The Aztec Legacy: Continuity and Change*. Few could be better qualified to speak on this subject so it promises to be a fascinating lecture. Do join us at the Memorial Hall, Whitefield Road, New Milton from 9.45 a.m. when tea/coffee is available. The lecture will begin, as usual, at 10.30 a.m. Visitors are always welcome (£7 at the door.) John Collins—Exhibition and Sale of Work

I am largely self taught. I started painting when I retired. I went to a lot of Demos and workshops developing a passion for watercolour, loving the transparency and vibrant colours. My wife Cathy also paints watercolour, both being so interested helped. With Cathy's critical advice, my style developed. I became a "purist" relying on the white of the paper for all highlights and tones. This led to winning awards and my work being published in local papers and National Magazines.

For any info or if you would be interested in purchasing

any of the paintings, please contact me on 01202 496311 or 07811 150437

CATHY COLLINS

I am largely self taught. My husband John and I started to paint when we retired. We both went for watercolour. I love the beautiful colours and the way they mix on the paper producing a wonderful transparent effect unattainable with any other medium. Both being so interested helped, along with John's critical advice, I developed my own style staying true to the water colour, just using the white of the paper for all the tones and highlights. I paint a wide range of subjects and this has led to winning awards and my work being published in local and national magazines.
