## PAINTING SUNSET

October evening the burnished sky is all aglow  
 Bells are ringing beneath the old church spire.  
 Many are capturing sunset in their paintings now  
 With amber, shimmering gold, and vermilion fire.

Mudeford Arts Festival 2023

### MUDEFORD ARTS FESTIVAL

It was a bumper year for Mudeford Art's Festival, or MAF, with its most-ever stallholders plus loads of delicious catering specialists and entertainment throughout both days. This year there was a special marquee for local arts groups to demonstrate their work and engage with visitors. This tent also included the 'Wall of Art' exhibition of local artists.

The Festival had two marquees full of individual artists, crafters and makers as well as a small village of outdoor gazebo artists. The Festival raised money for Mudeford All Saints church which was recently destroyed in a fire, as well as two charities, The Somerford Arc and Macmillan Caring Locally.

But most importantly, feedback from the artists was that it was a great success for them in terms of selling and promoting their creativity, and all visitors said they had a great time.
