

## CAROL COX

"I use a variety of media including watercolour, acrylic and pastel. Finely detailed watercolour studies of shells and feathers are contrasted with bold acrylic land and seascapes, many of Dorset. I enjoy making crafts such as brightly painted woven cardboard baskets, painted boxes, jewellery and fun felt brooches. I get ideas from books, magazines, Pinterest and other artists. It is surprising what can be made by recycling packaging and I am happy to demonstrate to my visitors.

I also have a large selection of cards for sale."
