

## CAROLINE ROBERTSON

I am fortunate to have retired, and have the time to return to my favourite hobby, Art. Whilst we still had the benefit of Adult Education, I studied for a NCFE Certificate in Creative Craft and City & Guilds Level 2 in Design and Craft: Mixed Media.

Recently my art work has progressed into a more contemporary style. I enjoy painting in this manner so that the person viewing the painting can comprehend what I am reflecting in my picture but it poses questions.
