

## COVID MEASURES AT ALDERNEY MANOR COMMUNITY CENTRE

**Entering and Exiting.** Please **enter** at the usual entrance and **exit** at the other end of the Hall, following 2 metre signs.

**Social Distancing** of 2m (or 1m+). Please use **face mask** and the **hand sanitizer**. Make sure the **attendance sheet** is ticked - especially important at this time (Test & Trace).

No bunching up in the entrance, or at the paying table, but please queue at 2 m distance.

**Cleaning:** The whole Hall will be cleaned after every group. We leave the tables up for this. We can use the kitchen (one person at a time) as this will also be cleaned.

**Toilets:** There will be hand sanitizer outside the toilets and spray in each cubicle. Paper towels will be provided. Please ensure that before you leave the toilets sinks, taps and flushers have been wiped down with disinfectant.

They have fitted a Pathogen Neutraliser which changes the air every six minutes.

**Noise** level needs to be kept low, so that shouting is not required.
