

**June 11<sup>th</sup> – 14<sup>th</sup>**

## **Saint Mary's Church. Dorchester**

**Our festival aims to bring together a fusion of three elements that form a large part of people's social lives: Nature - Art- Music**

**We are inviting artists to display a piece of work around the church, which in some cases can have a floral exhibit themed with the art.**

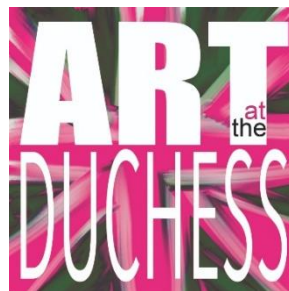

**Also included will be sculpture, glass or ceramic pieces.**

**The four-day festival will be open to the public each of the days from 10.30am – 4.30pm. On the Friday and Saturday there will be artisan displays selling work.**

**As with Art at the Duchess there will be a fundraising element to the festival supporting a charity to be announced.**

**There are very modest registration fees and a similarly low commission sale rate. The commission rate supports the charity. Full registration details will be sent on your request of wishing to take part.**

**We very much hope you will wish to join us for this very special summer event in the Dorchester calendar.**
