

Hi all,

I hope you are well and enjoyed the Easter break.

Here are some Art courses that I am delivering this coming term.

For WEA I am delivering two 3 hour courses with an observational still life theme at Springbourne Library Bournemouth on a Friday morning beginning 12th April: <https://www.wea.org.uk/courses/arts-crafts/arts/12-april-art-practical-improvers-drawing-and-painting-still-life> and afternoon: <https://www.wea.org.uk/courses/arts-crafts/arts/12-april-art-practical-exploring-drawing-and-painting-still-life>

I hope to incorporate a visit to Pallant House with these courses: <https://pallant.org.uk/whats-on/the-shape-of-things-still-life-in-britain/>

They could do with more support, and take place in a sunlit (from skylight) community room in Holdenhurst Road with an adjoining kitchen and facilities. Please contact WEA on 0300 303 3464 if online enrolling does not appeal.

There will also be a WEA Art History and sketching tour of Southampton City Art Gallery on Saturday 15th June: <https://www.wea.org.uk/courses/languages-culture/art-history/15-june-art-appreciation-art-history-and-sketching-tour>

Later on in the summer I hope to run a series of one day WEA workshops, including sketching days in Bournemouth Natural Science Society, Russell-Cotes and painting workshops on the theme of Portraiture in Pastels, Animal Portraits and Abstract Landscape painting dates TBC.

To get you in the mood for this, there is an online course beginning on Monday 15th April: <https://www.wea.org.uk/courses/arts-crafts/arts/15-april-art-practical-abstracting-landscapes>

All these courses are reasonably priced, and can be free to those with a financial concession.

For Skills ad Learning most of my courses are almost full, but there is still space on Life Drawing (working from the model) at the Dolphin Centre on a Monday evening beginning on 22nd
