

## PAM MARSHALL

After leaving St Martins School of Art with a degree in Fashion Design, I worked as a designer of ladies and children's wear for many years, both here and in South Africa.

On returning to the UK I started a business designing and making ladieswear for private clients in the Thames Valley.

After a few years I decided to return to my first love, drawing and painting, and have sought to develop my skills by joining local art groups and exhibiting my work with some success. I started, as many do, with watercolour and progressing to oils via pastel and acrylic.

I paint both 'en plein air' and in the studio, and am a member of a weekly Life Drawing class and a Trustee and Treasurer of Poole and East Dorset Art Society.
