

Paper Roses.

Instructions on how to make these very effective paper roses, kindly sent in by Sandy Dale.

Paper Rose

①  ②  ③ 

④   ⑤  ⑥  ⑦  ⑧

⑨ Roll edges of petals over a pencil to curve.

⑩ Glue one segment onto the top of next segment on all petals.

⑪ The smaller petals are rolled and glued.

⑫ Put a small blob of glue onto the bottom of a petal and glue to the centre of the largest petal.

⑬ Working from the largest petal back to the smallest petal.
