## Exciting news of an Exhibition at Lighthouse

As part of a celebration of 100 years of Poole and East Dorset Art Society, we have been given the fantastic opportunity to exhibit work by PEDAS at Lighthouse, from 17<sup>th</sup> June to 29<sup>th</sup> July, 2024. The theme will be "The best of Poole and East Dorset Art Society from 1994 to 2024". (In addition, an exhibition of "The History of PEDAS from 1924", will take place at Poole Museum in October 2025)

We can have around 50 pictures. Final selection will be made by Martha Earley (Lighthouse) and our curator, Julie Herring. Their selection will be made from the best pieces of work by Members of PEDAS from 1994 to 2024, as nominated by you.

Nominated pieces for selection can be made by the painter, or the owner, or from public collections.

So, you could nominate your own favourite painting (or sculpture).

You could nominate a favourite painting by a Member but you'd need to check the owner was willing to loan it for the exhibition.

Or, if you know of a Member who is not working any more, you could nominate them and we would endeavour to track down their pictures.

So, give it some thought straight away and make enquiries. We'll work out the details of how to submit and let you know what to do early in 2024.
