

PEDAS VIRTUAL PROGRAMME  
10.12.20

**Reflection in a glass or metal object.**

This week's challenge is to create in any medium a **reflection in a glass or metal object**. This can produce very interesting results.

This can be anything you like but on a **Christmas theme**; for instance, a roaring log fire, a Christmas tree or baubles or a glass of Christmas cheer, (could be made into a Christmas card).

Suggested by Norma
