

SUE SMITH

Sue is mainly a watercolour artist, although paints in pastel, acrylic and oil.

Sue is an active member of PEDAS, Bournemouth Bay Art Group and Pelhams Art Club, and ventures outside to sketch and paint whenever she can. She was lucky enough to be a finalist in the SAA Artist of the Year in 2010 and was Highly Commended. In 2017 she was a finalist in the Artist Magazine Artist of the Year and had a pastel hung at Patchings International Exhibition in Nottingham.

She has her own studio and has taken part in the last two Dorset Art Weeks. She is also a tutor on P & O and has been lucky enough to travel the world doing the thing she loves - teaching watercolour.
